THE PHI DELTA THETA FRATERNITY*—1848-1936

PHI DELTA THETA was organized with three principal objects: First, the cultivation of friendship among its members; second, the acquirement individually of a high degree of mental culture; third, the attainment personally of a high standard of morality. These objects are declared in "The Bond of the Phi Delta Theta," which every member admitted to the Fraternity pledges himself to uphold. The same pledge has been taken by every member since the organization of the Fraternity in 1848; and, so long as Phi Delta Theta shall exist, the Bond will remain inviolate and unalterable, unless changed by the unanimous consent of all who have accepted it.

FRATERNITIES AT MIAMI UNIVERSITY

Alpha Delta Phi, founded at Hamilton College in 1832, established its second chapter at Miami University. This chapter was instituted by the founder of the Society, Samuel Eells, Hamilton, '32, a resident of Cincinnati. It was the eighth chapter established by the four Greek-letter societies then existing—Kappa Alpha, Sigma Phi, Delta Phi and Alpha Delta Phi. Ohio was the third state that was entered by the Greeks, the first two being New York and Massachusetts, and Miami was the fourth institution in which a chapter was established, the others being Union, Hamilton, and Williams. The importance of this move of Alpha Delta Phi at so early a date may be judged by its results—the introduction of Greek-letter societies into the West, and the birth at Miami of Beta Theta Pi in 1839, Phi Delta Theta in 1848, and Sigma Chi in 1855. These three are often called "The Miami Triad." Thus Miami became the first home of Greek-letter societies in the West, as Union was in the East.

The Miami chapter of Alpha Delta Phi, and the parent chapter of Beta Theta Pi, were both inactive in December, 1848, when Phi Delta Theta was founded. Their suspension was due mainly to the fact that a number of their members had been dismissed from college for participation in "the great snow rebellion," which occurred in January, 1848, when a body of students locked out the professors from the Main Building. During the collegiate year 1848-49, there was no member of Alpha Delta Phi and only one member of Beta Theta Pi in attendance at Miami University. During 1849-50 neither of these fraternities was represented there. One member of Alpha Delta Phi returned in the fall of 1850; and, through his efforts, it was reorganized in December, 1851, or perhaps a month or two later. Sometime during 1851 a Beta, who had formerly attended Miami, initiated a student there; and, other recruits being added, Beta Theta Pi was reorganized there in April, 1852. For three years from the time it was founded Phi Delta Theta had no competition at Miami University.

The chapter of Delta Kappa Epsilon, chartered at Miami, in 1852, became divided into two factions; and, in 1855, the members of one faction seceded and founded Sigma Chi. This defection caused the chapter of Delta Kappa Epsilon to become inactive in 1856, and it so remained until 1859. The chapter of Phi Delta Theta became inactive in 1857, and it so remained until 1865. The chapter of Sigma Chi became inactive in 1858. Delta Upsilon established a chapter at Miami in 1868.

The closing of Miami University in 1873 caused the suspension of the chapters of Alpha Delta Phi, Beta Theta Pi, Phi Delta Theta, Delta Kappa Epsilon, and Delta Upsilon. On the reopening of the University in 1885, Phi Delta Theta was at once re-established; Beta Theta Pi followed in 1886, Delta Kappa Epsilon in 1889, Sigma Chi in 1892, and Delta Upsilon in 1908. The fourth fraternity to originate at Miami, Phi Kappa Tau, was founded in 1909. Delta Tau Delta established a chapter at Miami in 1916, Sigma Alpha Epsilon in 1919, Theta Upsilon Omega in 1925, Beta Kappa in 1926, Sigma Nu in 1927, Delta Chi in 1932, and Zeta Beta Tau in 1935. Theta Upsilon Omega became dormant in 1933 and Beta Kappa in 1934. Sigma Delta Rho, the fifth fraternity to originate at Miami, was founded in 1921.

THE FOUNDERS—THE IMMORTAL SIX

The Founders of Phi Delta Theta were six students in Miami University, namely: Robert Morrison, '49; John McMillan Wilson, '49; Robert Thompson Drake, '50; John Wolfe Lindley, '50; Ardivan Walker Rodgers, '51, and Andrew Watts Rogers, '52 (but graduated in '51). Morrison was matriculated at Miami University on June 18, 1846, the other five on October 7, 1846. All of them were men of unusual ability. All of them completed their courses and received the degree of A.B. on graduation, and A.M. three years later.

At the time when they founded Phi Delta Theta, Morrison and Drake were in their twenty-seventh years, Rodgers in his twenty-fifth, Wilson and Rogers in their twenty-fourth, and Lindley in his twenty-third. All of them were of sufficiently mature age to recognize what should be the objects of an ideal brotherhood, and to formulate well-considered plans for its government.

All of them were at times teachers and four—Morrison, Wilson, Lindley, and Rodgers—devoted themselves chiefly to education.† Three—Morrison, Wilson, and Drake—were ministers of the gospel, and one, Rodgers, was studying for the ministry when he died. Two, Morrison and Wilson, were for a time editors of religious newspapers. One, Rogers, was a lawyer.

* The original of this article was written by Walter B. Palmer for the 1918 catalogue and was copyrighted by him. On his death in 1920 the copyright naturally became the property of his widow. Mrs. Palmer kindly consented to allow the article to be modified, brought down to date and republished. The changes have been made by Arthur R. Priest.

† It is rather remarkable that four of the six—Morrison, Wilson, Lindley and Rogers—went, after graduation, to Tennessee to teach school. In that state also R. G. Elliott and S. S. Elliott taught, after their graduation from Indiana University, where they had established Indiana Alpha.

Rodgers died in his thirty-third year; Wilson in his forty-ninth; Drake in his fifty-second; and Rogers was nearly seventy-seven years of age. Morrison and Lindley passed the patriarchal age of four score; the former was in his eighty-first year when he died and the latter in his eighty-second year.

The deep interest of the Founders in the Order continued through their lives. Wilson proposed the first Convention, which was held at Cincinnati in 1851, and attended it. He had most to do with organizing the higher Order, composed of alumni, which met at Oxford in 1852 and 1853. Morrison was editor of the first edition of the Catalogue in 1860. He attended the General Conventions of 1860 and 1864, and the National Conventions of 1880, 1886, 1889, 1891, 1894, and 1898; also the Indiana State Convention in 1865, and the Golden Jubilee of Ohio Alpha in 1889. Lindley attended the Golden Jubilee and the National Conventions of 1898, 1900, 1902, 1904, and 1906.

THE FOUNDING OF PHI DELTA THETA

In the autumn of 1848, Robert Morrison, a senior at Miami University, proposed to his classmate, John McMillan Wilson, that they should organize a new College Brotherhood. Wilson entered heartily into the project, and four lower classmen who were approached became interested in it. These four were Robert Thompson Drake and John Wolfe Lindley, juniors; Ardivan Walker Rodgers, sophomore, and Andrew Watts Rogers, freshman.

Phi Delta Theta was founded on the evening of Tuesday, December 26, 1848. On that date, which fell during the ten-days' Christmas recess of the university, the six Founders met for organization in Wilson's room, which was in the Northeast Building, afterward called the North Dormitory. Several subsequent meetings were held in the same room.

The six Founders held three meetings in 1848—on December 26, December 28 and December 30. On December 26, the six Founders "Resolved that we constitute ourselves into a secret society," and appointed "a committee to report an appropriate motto, Bond and Constitution for the Society." On December 28, the report of this committee was considered and amended. On December 30, the report was further considered and finally adopted. On January 1, 1849, Morton George Williams, '51, the first student selected by the Founders for admission to Phi Delta Theta, was initiated. The initiation was followed by a banquet at a restaurant in Oxford.

Robert Morrison and John McMillan Wilson were joint authors of "The Bond of the Phi Delta Theta," which is the fundamental law of the Fraternity. Morrison signed it first, Wilson next. Between them they decided upon the name of the Society, and Morrison selected and arranged the secret Greek motto. Morrison designed the shield form of badge, with the eye as an emblem, while the scroll feature was suggested by Wilson.

The Constitution, adopted on December 30, 1848, provided for fortnightly meetings of the Ohio Alpha college,* but, owing to various circumstances, meetings were not always held at regular intervals. At the fourth meeting, the members were divided into two divisions, to prepare essays and read them, and each division alternated at subsequent meetings. The By-laws adopted on April 25, 1849, provided for literary exercises, consisting of essays and criticisms at each regular meeting. The By-laws required that the two divisions alternate in preparing essays and criticisms, and that the essayists should submit their essays to the critics one week prior to reading them before the college.

HIGH STANDING OF THE EARLY MEMBERS

The class standing of the early members of Phi Delta Theta was high. J. McM. Wilson, '49, completed the course at Miami in three years, and Robert Morrison, '49, and A. W. Rogers, '51, gained a year between sophomore year and senior year. From an imperfect compilation of college honors, it is known that Robert Morrison was graduated *magna cum laude*, and was valedictorian, (first honor man) of '49, a class of seven;† R. T. Drake stood third in '50 a class of seven; David Swing was salutatorian (second honor man) of '52, a class of sixteen; Benjamin Harrison ranked fourth in the same class; James Holmes was valedictorian of '53, a class of thirty five; J. M. Miller was valedictorian of '56, a class of twenty-four. Robert Morrison was President and J. W. Lindley was Secretary of the Miami Union Literary Society in 1849; A. W. Rodgers, Corresponding Secretary of the Erodelphian Society in 1849. The Miami Union elected A. W. Rogers and E. E. Hutcheson to deliver the diplomas to the society at commencement, the former in 1850, the latter in 1853.

When we look at the subsequent careers of the early members, they stand out with great distinction. Robert Morrison, '49, and J. McM. Wilson, '49, were editors of church papers, and in 1897 Miami University conferred on the former the degree of D.D.; A. W. Rogers was a Colonel in the U. S. Army during the Civil War. In the class of '52 were the following members: J. K. Boude, afterward a physician employed as pension examiner by the Government at Washington; J. H. Childs, a Colonel in the U. S. Army, who fell leading his regiment to the charge at Antietam; Harmer Denny, afterward professor in St. Francis Xavier College, the principal Roman Catholic institution in New York City; Benjamin Harrison, President of the United States, 1889

---

* In the early years of the Society its chapters were called colleges.

† An unpopular administration greatly reduced the number of students from 1847 to 1851. Before "the great snow rebellion" in January, 1848, the class of '50 had fourteen members.

-93; I. S. Lane, who became an attorney at Xenia, Ohio; S. R. Matthews, who became a Judge on the Common Pleas Bench; L. W. Ross, afterward Chancellor of the law department of the University of Iowa; David Swing, who became a great independent preacher and was the founder of Central Church, Chicago. Certainly no Fraternity can boast of more talent in one college class. In '53 were: J. A. Anderson, son of Rev. W. C. Anderson, D.D., President of Miami University, 1849-54, afterward a Congressman from Kansas; Samuel Hibben, U. S. A.; James Holmes, who previous to his death, 1885, became pastor of the Second Presbyterian Church, Allegheny, Pa.; A. C. Kemper, who became a prominent physician at Cincinnati, and was Assistant Adjutant-general, U. S. A., and J. G. McNutt, Captain, U. S. A. In '54 were: T. C. Hibbett, Captain, C. S. A.; E. P. Shields, a Presbyterian minister on whom Miami conferred the degree of D.D., 1887; Henry Stoddard, Quartermaster, U. S. A.; Thomas Williams, Major, U. S. A. In '55 were: E. E. Hutcheson, Prosecuting Attorney for Hamilton County (Cincinnati), 1860; A. M. Rafter, Captain, C. S. A.; Ransford Smith, Mayor of Hamilton, Ohio, 1859-61, and Captain, U. S. A.; T. W. Ward, afterward a Congressman from Indiana. In '56 was H. L. Brown, several times a member of the General Assembly of the Presbyterian Church. In '57 were: C. M. Hughes, afterward a Judge on the Common Pleas Bench; J. N. Scott, Major, U. S. A. In '58, was E. P. Williams, Captain, U.S.A. B. K. Elliott, who became Chief Justice of the Supreme Court of Indiana, was one of the early initiates. There were other members, who did not acquire such distinction in the world, but who attained high positions in the learned professions. The beneficial influence of men of such character during the plastic period of the Fraternity cannot be over-estimated.

DEVELOPMENT BEFORE THE CIVIL WAR

The Founders of Phi Delta Theta intended, when the Society was founded, that chapters of it should be established throughout the United States in collegiate institutions of "high and well established reputation." The Articles of Union, adopted on December 30, 1848, provided for the organization of "colleges," as chapters were therein called.

Indiana Alpha, the second chapter of Phi Delta Theta, was established at Indiana University within a year from the time the Society was founded. It was organized in October, 1849, by Robert Gaston Elliott and Samuel Steele Elliott, who were brothers, and who lived in Indiana, only eight or nine miles from Oxford, Ohio. Before going to Indiana University, they had attended Miami University for two years, and had formed the acquaintance of the Founders of Phi Delta Theta.

The third chapter, Kentucky Alpha, was organized at Centre College in April, 1850, by Morton George Williams, who had attended Miami University. Williams was initiated by the six Founders on January 1, 1849, and was the first initiate of Phi Delta Theta. He died on September 11, 1851, and his death was the first among members of Phi Delta Theta. He was referred to in a letter, dated November 27, 1851, from John McMillan Wilson to another Founder, Robert Morrison, as "the first chosen, the first taken, and the best beloved."

The fourth chapter of Phi Delta Theta, Indiana Beta, was established at Wabash College in November, 1850. Robert Gaston Elliott, one of the charter members of Indiana Alpha, visited Wabash and initiated the first member there, Edward Carlton Johnston. It appears, therefore, that Phi Delta Theta had, within two years after it was founded, four chapters in three States.

Chapters established at Wittenberg College, Austin College, Kentucky Military Institute and Georgetown College existed only a short time, as all of these institutions were small and none offered a favorable opportunity for the Society. Weakened by the retirement of members from college, the parent chapter suspended in 1857. The Civil War not only arrested the development of the Fraternity, but it caused the suspension of five chapters—those at Franklin College, Ohio Wesleyan University, Northwestern University, University of Wisconsin and Lawrence College. The loss of these chapters left the Society with only four active chapters—three in Indiana, at Indiana University, Wabash College and Northwestern Christian University (now Butler College), and one in Kentucky, Centre College. During the war, fraternity activity practically ceased. A chapter organized at the University of Michigan in November, 1864, made five chapters at the end of the war. In October, 1865, a chapter was organized at the University of Chicago.

BICAMERAL CHAPTERS AT MIAMI AND CENTRE

The first three chapters of Phi Delta Theta, though not opposed by the college authorities, chose to remain *sub rosa* several years. Ohio Alpha did not publicly announce its existence until 1852. Indiana Alpha, established at Indiana University in 1849, and Kentucky Alpha, established at Centre College in 1850, remained *sub rosa* until 1854.

The Founders and early members thought that, until Phi Delta Theta should become strongly established at Miami and other institutions, it would be well for them to keep their own counsel about the Society, and to let other Greeks know as little as possible about its affairs. Hence the parent chapter remained *sub rosa* for three years and a half. Much pains were taken to keep secret the place and time of meeting. The minutes show that meetings were held usually in the rooms of members, but during the first three years some meetings were held in the woods, in recitation rooms, in the college library, in the college cabinet (the room where geological specimens were kept), in the apparatus room (the minutes say. "instead of cabinet, it being less exposed"), and in the halls of the Erodelphian Literary Society and the Miami Union Literary Society.

In spite of attempts at secrecy, the existence of Phi Delta Theta became known as early as the winter of 1849-50. Members of the Society informed members of the faculty about it, and the professors gave their approval of the organization. Two professors, Orange Nash Stoddard and Charles Elliott, were elected to honorary membership in 1851. They accepted and signed the Bond, attended meetings of the Society and always evinced great interest in it. John A. Anderson, of the class of '53, initiated on December 7, 1849, was a son of Dr. William Caldwell Anderson, who was president of Miami University from 1849 to 1854, and who also accepted honorary membership in Phi Delta Theta.

In the spring of 1852, Ohio Alpha had eleven active members. All could not assemble in any room that was available without danger of discovery. Hence it was agreed that there should be two chapters of Phi Delta Theta at Miami. Accordingly, on April 13, 1852, the parent chapter, Ohio Alpha, granted a petition from three of its members, and, on April 17, Ohio Beta was organized. Each chapter initiated members, but there was an agreement that neither should elect anyone to membership without informing the other chapter; and if any member of the other should object, his name would be dismissed from consideration.

At a joint meeting of Ohio Alpha and Ohio Beta, on October 4, 1852, Alexander McKinney Rafter was initiated, and was authorized to establish a chapter at Austin College, Texas. The minutes of Ohio Alpha for November 11, 1852, say: "A committee from the Beta Chapter then announced the dissolution of that chapter for the time being, and the members were again recognized as members of Ohio Alpha." The second chapter at Miami was never revived. Its life was short, extending over a period of only seven months, during which time there was the usual summer vacation. After commencement in 1852, when the Society made its existence known, there was no longer any reason for a second chapter in the university, and, accordingly, Ohio Beta surrendered its charter.

Following the example of the parent chapter, Kentucky Alpha granted a charter for a second chapter at Centre College. This was done in February, 1855, when the membership of Kentucky Alpha was nineteen. In the following July the existence of two chapters in the same institution was deemed to be no longer necessary, and the charter of the second chapter was then surrendered. In no other Fraternity has there been an instance of bicameral chapters in the same institution.

LATER HISTORY OF OHIO ALPHA

The graduation of members of Phi Delta Theta in 1857, and the failure of others to return weakened Ohio Alpha, and it suspended in the autumn of that year. It was revived in the autumn of 1865, and flourished until June, 1873, when the university closed. On the reopening of Miami in the autumn of 1885, Phi Delta Theta was reorganized there, and the parent chapter has been prosperous ever since.

In 1899 Ohio Alpha had a large reunion of its alumni who celebrated its Golden Jubilee. A week before the celebration a large granite tablet, commemorating the founding of Phi Delta Theta, was placed on the outer wall of the room where the first meeting was held in 1848.

Ohio Alpha, during the first period of its existence, from 1848 to 1857, had no permanent place of meeting. It occupied several halls during its second period, from 1865 to 1873, and from its reorganization in 1885 until 1900. It rented a house from 1900 to 1905, and in the latter year purchased a frame house, the first house owned by any fraternity at Miami. This house was sold in 1907, and a brick and stone house was completed in 1908. This house was built, on ground furnished free by the university, at a cost of $23,000 contributed partly by the chapter and partly by the Fraternity. It is called the Phi Delta Theta Memorial Chapter House.

The National Convention of 1910 adopted a resolution which provides that, if possible, the Fraternity shall secure the custody of the room in the North Dormitory of Miami University in which Phi Delta Theta was founded, and in which shall be preserved souvenirs of the Founders and other historic relics.

DEVELOPMENT AFTER THE CIVIL WAR

For several years after the war all of the institutions in the South and many of those in the North were in a very depressed condition. Phi Delta Theta made no further extension until 1868, when it established chapters at Indiana Asbury (now DePauw) University and Ohio University.

Of the chapters that suspended on account of the Civil War, the chapter at Franklin was revived in 1869, suspended in 1872, and was revived in the same year; the chapter at Ohio Wesleyan was revived in 1871, suspended in 1877, and was finally revived in 1879; the chapter at Wisconsin was revived in 1880, and the chapter at Northwestern in 1886; the chapter at Lawrence was re-established in 1934. There is a tradition that the Hanover chapter was chartered in 1861, but no concrete evidence can be found to support this claim and the chapter was not organized until 1868.

In 1869 a chapter was organized at Roanoke College in Virginia; and from that State the Fraternity was introduced into Georgia, and thence it spread throughout the South. Phi Delta Theta first entered the East in 1872, when a chapter was established at Cornell. Another eastern institution, Lafayette, was entered in 1873, and in the same year the banner of the Fraternity was carried across the continent and planted in California. During the next twenty years Phi Delta Theta made remarkable advancement in the East, West and South. It became firmly entrenched in all sections.

Phi Delta Theta now has 105 active chapters in forty-one States of the United States and six Provinces of Canada. Anyone who is informed as to the higher institutions of learning in North America can see that Phi Delta Theta has a well balanced distribution of chapters. It is not a sectional Fraternity, but in a true sense a National Fraternity, and the Canadian chapters make it International.

Of the one hundred and five active chapters, thirty-nine are in state or provincial universities. Fifteen other chapters are in institutions that receive state or province support. Twenty-four institutions in which there are chapters receive federal support.

The University of Cincinnati receives support from the City of Cincinnati and the University of Akron from the City of Akron.

FRATERNITIES ABSORBED BY PHI DELTA THETA

Phi Delta Theta has absorbed several small fraternities. In 1878 it absorbed the parent chapter of the Phi Sigma League at Lombard, which was the only surviving chapter of that organization. Alumni of Phi Sigma were accepted as members of Phi Delta Theta. In 1879 Phi Delta Theta absorbed the Centre chapter of the Delta Kappa Fraternity, which was the last surviving chapter of that organization except one at Dartmouth which died in 1882. Phi Delta Theta absorbed the Texas and Southwestern chapters of the Rainbow or W.W.W. Fraternity in 1885-86, when the other two chapters, at Mississippi and Vanderbilt, united with Delta Tau Delta. Phi Delta Theta, in 1886-87, absorbed the chapters of Kappa Sigma Kappa at Randolph-Macon, Richmond, Virginia Military Institute and Washington and Lee, which were the last surviving chapters of that organization.

CAREERS OF CHAPTERS SUSPENDED AND RE-ESTABLISHED

Phi Delta Theta was the first Fraternity to enter the States of Texas (1853) Wisconsin (1857), Nebraska (1875), and South Dakota (1906). In entering Texas, it was the first Fraternity to cross the Mississippi River.

Phi Delta Theta was the pioneer Fraternity at Wittenberg, Wisconsin, Lawrence, Northwestern, Butler, Franklin, Nebraska, Vanderbilt, Texas, South Dakota, Whitman, Alberta and Dalhousie. It was the second Fraternity established at Indiana and Centre. Chapters which Beta Theta Pi had established in those institutions had suspended, and there was no other Fraternity in either of them or in any other institution in Indiana or Kentucky. Phi Delta Theta was the second Fraternity established also at Iowa Wesleyan, California, Vermont, Westminster, Minnesota, Stanford, Southwestern, Case, Idaho and Washburn.

During the first thirty-five years of the Fraternity, anti-fraternity laws caused a number of chapters to be *sub rosa* for years, others to suspend temporarily and some to suspend permanently.

On account of faculty opposition to secret societies, the fourth chapter, Indiana Beta, established at Wabash in 1850, remained *sub rosa* until 1862-63. The ninth and tenth chapters, Wisconsin Alpha and Wisconsin Beta, established at the University of Wisconsin and Lawrence College in 1857 and 1859 respectively, both became inactive in 1861, when practically their entire membership enlisted in the Union Army. The Wisconsin chapter was revived in 1880, the Lawrence chapter, in 1934. In 1874 anti-fraternity laws were enacted at Ohio Wesleyan, and their enforcement was attempted for a year or two. The Nebraska chapter, chartered in 1875, found neither faculty nor students favorable to fraternities, and suspended in 1876; it was revived in 1883. The Vanderbilt chapter, chartered in 1876, was not fairly organized until 1877, on account of anti-fraternity laws, which rendered *sub rosa* existence necessary until 1883. In 1877, shortly after the organization of the chapter at Alabama, it was forced by adverse legislation to suspend; it was revived in 1883, and the anti-fraternity laws were repealed two years later. Because of faculty opposition, the Georgia chapter was *sub rosa* from 1875 to 1878; the Missouri chapter from 1881 to 1884 and the Auburn chapter from 1881 to 1883. The Knox chapter suspended in 1878, on account of anti-fraternity laws; these having been repealed, the chapter was revived in 1880; it suspended again in 1882, and was finally revived in 1884. The chapters at North Carolina and Illinois were chartered soon after the repeal of anti-fraternity laws.

The charter of the chapter at Georgetown, Kentucky, granted in 1857, was withdrawn during the same year because of the faculty's hostility; the chapter was re-established in 1875, but died the next year for the same reason. The chapters at Wittenberg, Monmouth, Central (Missouri), Trinity (Texas), Trinity (North Carolina), K.M.I. and V.M.I. were killed by anti-fraternity regulations. These regulations have been repealed at Wittenberg and Trinity (North Carolina), now Duke University. The chapter at Duke was rechartered May, 1926. The chapter at Wooster was inactive 1880-81, and surrendered its charter in 1897; the trustees of the institution prohibited fraternities there in 1913. The chapter at Wofford died in 1884, and in 1907 fraternities were prohibited from initiating students there, but this regulation was repealed in 1916. The chapter at South Carolina died in 1893, and, by an act of the Legislature in 1897, fraternities were excluded from State institutions. This legislation was repealed in 1928. Similar legislation in Mississippi in 1912 caused the chapter there to suspend, but the legislature of 1926 repealed the law and the chapter was revived in April, 1926.

The isolated chapter at Austin College suspended in 1854, was revived in 1858, and died the same year. The Oglethorpe chapter died on account of the closing of the institution. The chapter at Buchtel was suspended in 1896 because of a decrease in the attendance of students. In 1913 Buchtel was taken over by the City of Akron and the attendance of students gradually increased. In 1924 the Fraternity granted a charter for the re-establishment of the chapter. The Michigan State College chapter was withdrawn in 1898 because of the hostility of the administration toward fraternities; this opposition having been changed to warm approval, the chapter was reinstated in 1931. The charters of the chapters at Richmond and Illinois Wesleyan were also surrendered because of a decrease in attendance of students. Neither chapter has been re-established. The charters of the Terre Haute, Roanoke, Hillsdale, C.C.N.Y., and Southern chapters were withdrawn because the Fraternity did not desire to continue at those institutions.

The Miami chapter suspended in 1857, was revived in 1865, suspended on account of the closing of the university in 1873, and was revived in 1885, when the university was re-opened. The Chicago chapter suspended in 1871, and was re-established in the new University of Chicago in 1897. For various reasons, several chapters have been temporarily inactive—the Michigan chapter, 1869-80 and 1880-87; the DePauw chapter, 1870-71, 1872-75 and 1876-80; the Cornell chapter, 1876-86; the California chapter, 1877-86; the Lehigh chapter, 1877-87; the Columbia chapter, 1890-93, 1935- .

Kentucky Alpha, established at Center College, Danville, Ky., in 1850, and Kentucky Delta, at Central University, Richmond, Ky., in 1885, were combined as Kentucky Alpha-Delta, in 1901, when the two institutions were consolidated under the name of Central University, which was located at Danville. The name was later changed to Centre college.

In 1930 Lombard College, Galesburg, Illinois, after a long and honorable career, closed its doors, and many of its students transferred to Knox College, located in the same city. The Lombard chapter remained active to the end, and was merged with the Knox chapter, Illinois Delta, under the name Illinois Delta-Zeta.

All chapters have had a continuous existence except where their suspension, temporary or permanent, has been mentioned.

Of the one hundred and five active chapters, eighty-eight own the houses in which they live. The value of these houses is approximately $3,500,000.00.

AN EXTENDED SOCIETY THE ORIGINAL OBJECT

On December 30, 1848, the parent chapter adopted a name for the Society, a motto, a Bond, Articles of Union and a Constitution.

The Articles of Union specified that such persons as were contemplated in the Bond should be elected to membership, and no others; they prescribed the form of a preliminary pledge to secrecy, and they included an initiation ceremony.

The Founders of Phi Delta Theta intended that it should not be a local but an inter-collegiate Society. The Articles of Union provided for the establishment of chapters, directed how they should be chartered and organized, specified how they should be entitled, defined the relations which should exist between them, required that they should annually make reports of their membership, and provided the means whereby their charters might be withdrawn. Provisions were made for appeals from the decisions of chapters, for a system of membership reports, to be made annually by the chapters, and for amending the Articles of the Union.

The Founders, before they had added to their number, before the Society was one week old, had formulated and adopted these far-reaching plans. They thought of everything important; they did their work well. For a Society just launched on its career, the Articles of Union were wonderfully complete; they contained all essential features. In fact, they were so complete that they were not amended for nearly a quarter of a century. The faith of the Founders in the fundamental principles on which Phi Delta Theta was based was justified by the wonderful growth and prosperity of the Fraternity in succeeding years, and the machinery of organization which they devised proved to be strongly and skillfully constructed.

In the Articles of Union Phi Delta Theta was called not a "Fraternity," but "this Society," and "the Order of the Phi Delta Theta"; while a local branch of it was called, not a chapter, but a "college." No other Greek-letter association ever used the word "college" in this sense. In the Articles of Union the parent "College" at Miami University was called "the Ohio Alpha" and "the Ohio Alpha College of the Phi Delta Theta."

The Articles of Union provided entitling colleges by the names of the States in which they were to be established and the Greek letters in alphabetical order. It is fortunate that this system was adopted, as it is the best system for a large fraternity, because it is easier to remember the names of chapters thus entitled than the Greek letters unaccompanied by the names of States.

A footnote to the Constitution of 1898 authorized chapters to be designated in common parlance by the names of the institutions or towns in which they are located. Thus, New York Alpha is frequently called the Cornell chapter and Tennessee Beta the Sewanee chapter.

The Constitution, adopted by the Phi Delta Theta Society on December 30, 1848, provided for the government of the parent chapter, which was therein called "The Society," "this Society," "this Association," and the "Ohio Alpha College of the Phi Delta Theta." On April 25, 1849, the Society adopted By-laws for the Ohio Alpha college.

The first Convention of Phi Delta Theta was held in 1851, when the Fraternity was just three years old. The first five conventions, including the one held in 1864, were called General Conventions. The sixth, held in 1868, and all held subsequent to that time until 1902, were called National Conventions. Since 1902, because of the chartering of chapters in Canadian institutions, Conventions have again been called General Conventions.

In 1865 an Indiana State Phi Delta Theta Convention was held at Indianapolis. It was the first State Convention held by any college fraternity. In subsequent years State Conventions were held in Indiana and other States. Since the province system was established, in 1880, Province Conventions and joint Province Conventions have been held between the meetings of the General Convention.

Until 1871 all the colleges of Phi Delta Theta were governed by the Articles of Union which had been adopted in 1848. Each college also had for its own government a Constitution, which was similar to the Constitution of Ohio Alpha, but which each college could change at will. The National Convention of 1871 adopted a Constitution for all chapters, to take the place of the Articles of Union, but it contained, practically unchanged, all of the material features and most of the language of the Articles.

In the new instrument Phi Delta Theta was called "the Organization," "the Association," "the Order," and once "the Fraternity." For "college" the word "chapter" was substituted, the words "society" and "association" also being used synonymously. The National Convention of 1874 amended the Constitution so as to substitute "Fraternity" for "Society" wherever it occurred in the Constitution.

The Constitution was amended by various National Conventions, and new revisions were adopted by the Conventions of 1878, 1880, 1886 and 1898. In making the revision in 1898, a Code and other General Statutes were adopted, and only organic laws were retained in the Constitution. The Constitution, Code and other General Statutes were revised in 1906, 1918, 1924, and 1928.

In 1880 the Ritual, which had been embodied in the Constitution, was separated from it and amplified. The ritual has been further amplified in 1891, 1896, 1906, and 1910.

GRAND CHAPTERS AND THE EXECUTIVE COMMITTEE

The Articles of Union provided that the college at Miami University should be the presiding chapter. The presiding chapter was the Miami chapter from 1848 to 1858, the Indiana chapter from 1858 to 1860, the Centre chapter from 1860 to 1868, the Chicago chapter from 1868 to 1869, the Miami chapter from 1869 to 1873, the Wooster chapter from 1873 to 1878 and the Lafayette chapter from 1878 to 1880. In conversation and correspondence the Ohio Alpha college at Miami University was called "the Grand Alpha" and "the Grand Chapter," as also were the Centre and Chicago chapters while each of them was the presiding chapter. In the Constitution of 1871 the presiding chapter was termed "the Grand Alpha Chapter," and in the Constitution of 1874 "the National Grand Chapter."

The Articles of Union provided that the first college chartered in each State should receive reports from the other colleges in the State, and should forward the same to the presiding college at Miami. In conversation and correspondence the Alpha college, or first chapter in each State, was called "the State Grand Chapter."

The National Convention of 1868 directed that the President of each Convention should appoint an Executive Committee. Each Executive Committee thus appointed until 1872 selected a President and a Secretary from its members. Beginning with 1872, the President and Secretary of each National Convention became, *ex officio,* the President and Secretary of the Executive Committee. From 1868 to 1872, the principal duties of the Executive Committee were to make arrangements for the next Convention and to apportion the assessment necessary to pay the expenses of the next Convention. Beginning with 1872, the Executive Committee became an executive body in fact as well as in name, though its powers were yet not well defined.

An amendment to the Constitution, adopted in 1873, provided that a Grand Banker should be added to the general officers of the Fraternity. This Convention ordered that the Grand Banker should apportion the assessment necessary to pay the expenses of the next Convention. From the time the office was created, the Grand Banker became, *ex officio,* a member of the Executive Committee.

Until 1876 the Executive Committee numbered from five to seven members. By an act of the National Convention of 1876, it was then reduced to four members. The President and Secretary of the National Convention continued to be the President and Secretary of the Executive Committee. The other two members were the Grand Banker, elected by the Convention, and a member of the National Grand Chapter, elected by that chapter. For the first time, the functions of the Executive Committee were clearly defined by the Convention of 1876. Besides specified powers, the Committee was given the power of acting at its discretion between National Conventions its actions being subject to review by the Convention.

By the Constitution adopted in 1878, State Grand Chapters were abolished and the powers of the Executive Committee were enlarged.

THE GENERAL COUNCIL, PROVINCE PRESIDENTS AND TRUSTEES

Under the revision of the Constitution in 1880, the National Grand Chapter was abolished and the Executive Committee was changed to a General Council, composed of four members—a President, a Secretary, a Treasurer and a Historian. The revision provided also that the Fraternity should be divided into provinces, and that each province should have a President, who should be chosen by the General Council.

From the time the first members of Phi Delta Theta were graduated, the alumni members have shown great interest in the Fraternity. Most of the members of the Executive Committee were alumni. When the General Council and the province system were established, a few undergraduates were chosen as members of the Council and as Province Presidents, but after a few years all the officers of the Fraternity were elected from the alumni.

The "Phi Delta Theta Fraternity" was incorporated under the State Laws of Ohio on March 12, 1881. At a meeting of the incorporators, held immediately after incorporation, they selected a Board of Trustees, which consisted of the four members of the General Council as officers and five other members. This Board of Trustees was not changed until 1898.

An amendment to the Constitution, adopted in 1896, provided that the General Council should have a fifth member—a Reporter, who should be, *ex officio*, Editor and Manager of *The Scroll* and *The Palladium*. Another amendment, then adopted, provided that there should be a Fraternity Librarian.

The Constitution of 1898 provided that the Board of Trustees should consist of the five members of the General Council, who should be its officers and, of two Alumni Commissioners and two Chapter House Commissioners. These nine trustees were constituted the legal representatives of the Fraternity; and while the General Council was charged with the business administration, the four Commissioners, besides having special duties relating to the alumni and to the chapter houses, were empowered to act with the General Council in all matters relating to the membership. In this respect the nine Trustees were made a court of appeals.

By provisions of the Constitution of 1898, the office of the Editor of the Catalogue and the office of the Editor of the History were made permanent, each to be filled by each National Convention.

An amendment to the Constitution, adopted in 1908, provided that there should be only one Alumni Commissioner and one Chapter House Commissioner; and further provided that the Editor of the Catalogue and the Fraternity Librarian should be members of the Board of Trustees, the number of members of the Board still remaining nine.

The Convention of 1920 provided for the establishment of a Central Office of the Fraternity in charge of an Executive Secretary. This same Convention created the office of Traveling Secretary and provided that an officer should be appointed who could give his entire time to the work of visitation among the active chapters and alumni clubs. The Cleveland Convention, however, abolished the office of Traveling Secretary and empowered the General Council to employ an assistant or assistants to the Executive Secretary to care for the work of visitation.

By amendments to the Constitution adopted in 1922 the offices of Alumni Commissioner and Chapter House Commissioner were abolished and the Board of Trustees made co-equal with the General Council. A further amendment provided for an Executive Committee of the General Council, composed of the President, Reporter and Treasurer, whose duty it is to carry on the ordinary routine work of the General Council. The offices of Secretary and Historian of the General Council were abolished and the other two members of the General Council are known as Members-at-Large.

An amendment to the Code, adopted in 1910, provided for life subscriptions for *The Scroll* and *The Palladium*, and for the investment of the funds received from such subscriptions by three Endowment Trustees. This was the first time such a plan was adopted by any Fraternity.

The 1922 Convention provided further for the creation of a General Endowment to be known as the Walter B. Palmer Foundation Endowment, so named in honor of the life devotion to the Fraternity and its interests of Walter B. Palmer, *Emory-Vanderbilt '77*, Historian of the General Fraternity. The 1924 Convention modified the General Endowment legislation of 1922 by providing not only for general gifts from alumni but requiring each initiate to pay $10.00 into this endowment. The funds of this endowment are in the keeping of three Endowment Trustees.

The General Council, in 1916, and the General Convention, in 1918, provided for the appointment of an Alumnus Adviser for each chapter, to be nominated by the chapter and confirmed by the General Council.

AN HISTORICAL CONSTITUTIONAL PARALLEL

The Bond of the Phi Delta Theta, adopted on December 30, 1848, is the fundamental law of the Fraternity. Its style is stately, its dignified diction beyond criticism. No one has ever suggested wherein it could be improved. It expresses the ideals that should inspire every member. Unquestionably it has exercised a beneficial influence on the lives of the thousands who have accepted it. In his initiation vows, every person who joins Phi Delta Theta pledges himself to uphold it. The same pledge has been taken by every person initiated since the organization of the Fraternity. So far as is shown by the literature of the various fraternities, no other fraternity has an instrument which embodies its principles and fundamental laws, which has been unaltered since it was founded and which is unalterable.

There is a parallel between the organic laws of the United States and those of Phi Delta Theta.

In the Declaration of Independence our revolutionary forefathers set forth the reasons which impelled them to establish their separate political existence. In the Bond of the Phi Delta Theta the Founders declared the principles upon which the Fraternity is based.

The Fathers of the Republic adopted Articles of Confederation and Perpetual Union to govern, in their federal relations, the States which had been colonies. The Founders of Phi Delta Theta adopted Articles of Union to govern the relations between the colleges, as chapters were then called.

The Articles of Confederation and Perpetual Union having been found to give the Federal Government insufficient powers, a Constitution for the United States was adopted, and each State adopted its own Constitution. So in Phi Delta Theta, the Articles of Union were supplanted by the Constitution of the Order and the Constitution of Chapters, each chapter having its own By-laws.

If the analogy were carried further, it could be shown that, as the United States Government became more centralized and the powers of the States more restricted, by amendments to the Constitution, so the Phi Delta Theta Fraternity was changed, by combining the Constitution of the Order and the Constitution of Chapters into one Constitution, which provided for a more centralized government than that which had before existed.

PHI DELTA THETA ALUMNI CLUBS

The first Convention of the Society, held in 1851, authorized the organization of a higher Order to be known as "The Order of the Phi Delta Theta," in distinction from "The Phi Delta Theta Society." The former, composed of alumni chosen from the latter, should meet annually with public literary exercises, and should have the power of granting charters and of general supervision. A meeting of the higher Order was held at Oxford, Ohio, in 1852, and another in 1853. In 1853 the reunion extended over two days. In addition to private meetings on both days, the alumni and active members present marched, on the first day, to the grove on the Miami campus, where public exercises were held and a literary address was delivered; and, in the evening of the second day, public exercises were held and a poem read in the university chapel. The plan for a "Senior Order," as it was sometimes called, was abandoned after 1853, because there were then so few alumni. This higher Order was a unique organization; it preceded any attempt by any other college secret society to vest in experienced alumni the management of general society affairs.

A Phi Delta Theta alumni chapter was organized at Indianapolis in the fall of 1871. The National Convention of 1872 decided that alumni chapters were impracticable. The Convention of 1874, however, declared that such chapters would be beneficial for the Fraternity, and urged alumni in the larger cities to establish them. In 1876 an alumni chapter was established at Franklin, Ind. In revising the Constitution in 1898, the designation alumni chapters was changed to alumni clubs. There are now one hundred and thirty-seven alumni clubs. They observe Founders' Day, March 15, and Alumni Day, October 15, and many of them meet at luncheon weekly.

THE SWORD AND SHIELD IN WAR

The Fraternity has just reason for pride in the honorable part which its members took in the war between the States, 1861-65. A list in "the History of the Phi Delta Theta Fraternity," though probably not inclusive of all, shows that 281 members of the Fraternity were engaged in the war. Some of these were initiated after having served in the Army, but the large majority were initiated before they enlisted. The number of members enrolled on July 1, 1865, was 447, of whom 18 had died before the war began, leaving 429, of which number 281 is 65.5 per cent.

Of these 281 members, 229 served in the United States Army, 2 in the United States Navy and 50 in the Confederate Army. It is worthy of note that some members of several Northern chapters—Miami, Wisconsin, Butler and Northwestern—enlisted in the Confederate Army, and that members of the Centre and K.M.I. chapters enlisted in both Armies.

Many members attained high military rank, earning their promotions by manifest ability and conspicuous gallantry. J. F. Philips was a Brigadier-General, and Benjamin Harrison, J. W. Foster, J. C. Black, T. J. Morgan, Theodore Read and H. V. N. Boynton were Brevet Brigadier-Generals. A. W. Rodgers, one of the Founders of Phi Delta Theta, was Lieutenant-Colonel of "the fighting 81st" Illinois Infantry, and was commissioned Colonel, but was not mustered in that rank, on account of the depletion of the regiment. W. C. L. Taylor and R. F. Barter were Colonels; H. M. Kiddar was a Brevet Colonel; W. F. Vilas, J. R. Webster and H. A. Plimpton were Lieutenant Colonels, and C. K. Drew was a Brevet Lieutenant Colonel. E. A. Nash was commissioned Lieutenant Colonel, but not mustered in that rank.

In the Confederate Army, A. M. Rafter was a Colonel and J. C. S. Blackburn, J. G. Hall and Bernard Timmans were Lieutenant Colonels. W. H. Hill was Senior Captain of a Texas regiment, and was recommended for Colonel, but the surrender prevented such promotion.

Brevet Brigadier-General Theodore Read, Major Nathan Paine, Captain R. K. Smith, Captain J. P. Pratt, Lieutenant M. J. Miller, Private P. J. Squier, Captain J. L. Hall, Private J. B. Bullitt and Private W. A. Allen, the three last of the Confederate Army, were killed in action. Adjutant-General J. J. Blinn, Captain J. W. Perkins, Captain E. B. Kingsburg, Lieutenant J. B. Atkinson and Lieutenant A. J. McFarlane died of wounds received in battle. Many members were seriously wounded. Three members—Brevet Brigadier-General H. V. L. Boynton, Captain W. P. Black and Private R. M. Springer—received Congressional Medals of Honor for "distinguished gallantry."

Before the war began between the United States and Spain two members of Phi Delta Theta were active in aiding the cause of the Cubans. J. M. Barrs was the attorney of the Cuban junta in Florida and one of the owners of the *Three Friends,* the famous filibustering craft which carried arms and ammunition to the insurgents in Cuba. Frederick Funston volunteered to aid the insurgents, joined their army as a Captain, was promoted Major, and was severely wounded several times. Ensign W. H. Cluverius, was on board the *Maine* when she was blown up in Havana harbor. G. L. Darte, United States Consul at Martinque, F.W.I., was first to inform the authorities at Washington of the arrival of Admiral Cervera's Spanish fleet in American waters.

Many Phis participated in the Santiago campaign. Edwin Emerson and L. G. Coleman were troopers in the famous Rough Riders. Orderly G. B. Baskervill was by the side of the Lieutenant-Colonel of the 12th Regulars when that regiment charged and took the block house at El Caney. Four members, J. F. Black, Wellington Harlan, H. G. Kimball and N. G. Noble, died of fevers contracted in the service.

"The History of the Phi Delta Theta Fraternity" contains a list of members of Phi Delta Theta who were engaged in the war against Spain and the war to subdue the Filipinos. The number was 286, a greater number than that of any other fraternity. Of these, 15 were initiated after their military service. In the list were Majors, Colonels and many Captains and lesser officers; and many of them performed deeds of valor, which were recognized by promotions. First Lieutenant D. B. Whedon commanded the outpost whose sentry fired the shot which started the war with the Filipinos. Colonel Frederick Funston performed one daring feat after another in the Philippines. Finally he captured Aguinaldo by strategy, which ended the war. The whole United States was thrilled by this exploit, and President McKinley, recognizing the universal desire, promoted him to be Brigadier-General of the Regular Army.

E. R. Lyons was the only member of Phi Delta Theta who met a violent death in either the Spanish war or the Philippine war. He was wounded by bolo men in Northern Luzon and then murdered by the natives.

After war began in Europe in 1914 the two Canadian chapters of the Fraternity were depleted and almost compelled to suspend. When the United States declared war against Germany in 1917 hundreds of Phi Delta Theta men enlisted for the different branches of service. Again it looked as if many chapters would have to suspend but by heroic effort on the part of the alumni all chapters but one were kept on the active list. Illinois Beta had no active men left on the campus at the University of Chicago and the charter was held in trust by the General Council until after the Armistice, when the chapter was re-established by the return of ex-service men. 154 members of the Fraternity had joined the Chapter Grand before the Armistice was signed. Since that time a number of others have died as a result of wounds or exposure during the days of service. The roll of officers is too long to give in detail but it may be noted that in the Army there were four Brigadier-Generals—Edgar Jadwin, John B. McDonald, Edgar Russell and Chester Harding, and one Major-General, Robert E. Noble, while in the Navy Rear-Admiral Louis R. de Steiguer headed the list of Phi officers.

INSIGNIA OF PHI DELTA THETA

The secret motto of Phi Delta Theta was adopted by the parent chapter on December 30, 1848. The open motto, adopted in 1880, is Εἷς ἀνὴρ οὐδεὶς ἀνήρ which is translated, "One man is no man," and more liberally interpreted, "We enjoy life by the help and society of others."

The first Phi Delta Theta badge was made in June, 1849, and was adopted by the parent chapter on the 26th of that month. It consisted of a gold shield, with a scroll bearing the Greek letters Phi Delta Theta over the fesse and nombril points, and an eye over the honor point. Though Phi Delta Theta badges were privately worn at Oxford and publicly away from there, they were not displayed until June 26, 1852, when they were worn at a party for the senior class given by the President of Miami, Rev. William Caldwell Anderson, D.D., an honorary member of Phi Delta Theta.

A seal, designed in 1865, was, beginning in 1866, used on official publications and on Fraternity stationery. The design was composed of the badge with a sword attached by a chain to the shield, a scroll larger than the one on the badge, a parchment bearing on one end "Φι" and on the other "Κεΐα," a plumed helmet with closed visor, two styli, laurel wreath and a double headed serpent. In the description of the seal in the Constitution of 1871 the two styli were changed to javelins and the double headed serpent to two serpents. In an amendment to the Constitution, adopted in 1874, the design, though not heraldic in form, was called a coat-of-arms.

The badge was first worn with a sword attached by a chain, in 1866, and from that time the shield and sword were commonly worn, but the attachment was not officially a part of the badge for five years. The Constitution adopted in 1871 provided that the badge should consist of the shield with a sword attached by a chain. This badge, except as to size and ornamentation, has never been changed and undoubtedly never will be. The shield and sword make a unique and very distinctive emblem. Though other fraternities have shield-shaped badges, none has ever had an attachment similar to the sword, and none now has any attachment. For many years the badges of other fraternities had Greek letters attached by chains, the letters designating the chapters of the owners. Such attachments were worn in the '70's, perhaps earlier, but about 1895 they began to be discarded, and since about 1900 the badge of Phi Delta Theta has been the only college fraternity badge made with an attachment of any sort. The combination of the shield and sword makes a badge which even at a distance is entirely dissimilar from all others.

In 1871 argent and azure were chosen as the colors of the Fraternity. The colors, when worn by members or used in interior decorations, should be white and light blue; but when exposed to strong sunlight or to the weather the blue should be of a darker shade.

In 1872 a badge of mourning, consisting of black and white crepe, was adopted.

Fraternity and chapter banners were adopted in 1880, and the designs were changed in 1891 and 1896. The present (1896) Fraternity banner is triangular, and bears across the body the word "Miami" over the figures "1848"; above at the left "Phi"; below "Delta"; and above to the right "Theta," all the body being of blue material, the lettering (Greek letters) in gold. The present (1896) banner for each chapter is similar, except that for "Miami" and "1848" are substituted the name or initials of the institution at which the chapter is established and the year when the chapter was chartered.

In 1880 the owl, which the Greeks regard as sacred to Pallas, was adopted as a Fraternity emblem.

In 1889 a Fraternity flag was adopted. The design was changed in 1891 and 1896. The present (1896) flag consists of three vertical bars of equal width; the outer bars blue and the middle bar white; each of the outer bars charged with three white five-pointed stars, the middle bar charged with "ΦΔΘ" the letters in blue reading downward; the width of the whole being two-thirds of the length.

The Fraternity flower, adopted in 1891, is the white carnation.

In 1891 Pallas was chosen as tutelary goddess of the Fraternity and the Story of the Palladium became a fraternity legend.

A fraternity button was adopted in 1891. A pledge button was approved in 1892 and adopted in 1894. A new design for a pledge button was adopted in 1900. An alumnus button was adopted in 1898 and the design was changed in 1900.

A new coat-of-arms, blazoned as follows, was adopted in 1898.

Escutcheon: azure, on a bend argent, between six mullets of the second, a sword proper point downward.

Helmet: Proper affrontee, visor closed, proper, mantling of the first and second.

Crest: a dexter arm embowed vambraced hurling a javelin all proper.

Motto, Εῖς ἀνὴρ οὐδεὶς ἀνήρ.

CUSTOMS OF THE FRATERNITY

The Founders of Phi Delta Theta established the custom of having an annual banquet, or "festival" as they called it. The first one was on New Year's eve (January 1), 1849, when Morton George Williams, the first addition to the six Founders, was initiated. The Founders recommended the custom to other chapters and they adopted it. The annual banquets of the chapters have been after the initiation of the freshman delegations, at the time of the chapter anniversaries, during commencement week and on other suitable occasions.

Alumni Day was established at the National Convention of 1889. The third Wednesday of February was the date of observance in 1890 and 1891, but the Convention of 1891 changed the date to March 15, the birthday of Founder Robert Morrison. The Convention of 1910 decided that there should be two days in each year for general observance throughout the Fraternity, and that Alumni Day should be celebrated on October 15, and Founders' Day on March 15. On each of these days every year active and alumni members wear the fraternity colors; chapters meet, discuss a subject selected by the General Council and celebrate the occasion with ritualistic exercises; and alumni clubs have social and business meetings and discuss the assigned topic. Both days have been very generally observed by both chapters and clubs, and on each day Phi Delta Theta dinners are held in many cities throughout the country. When convenient a chapter and a club join in the celebration.

Home Folks' Day was established in 1910. On a day in every year appointed by each chapter, relatives, and especially the fathers and mothers of active members, are invited to visit the chapter and inspect the chapter house.

The Fraternity has two cheers. The first adopted in 1891, is:

Rah! Rah! Rah!
Phi-Kei-a!
Phi Delta Theta!
Rah! Rah! Rah!

The second, adopted in 1906, is:

Eis aner! Eis aner!
Oudeis, oudeis, oudeis aner!
Eu-re-ka! Phi-kei-a!
Phi Delta Theta!
Rah! Rah! Rah!

The following all-Greek yell is unofficial. The work Euleleu was the battle cry of the ancient Greeks.

Eis aner! Eis aner!
Oudeis, oudeis, oudeis, aner!
Phi-kei-a!
Phi Delta Theta!
Eu-rek-a!
Eu-le-le-u! Eu-le-le-u! Eu-le-le-u!

A Fraternity whistle was adopted in 1894.

The National Convention of 1882 decided that the pronunciation of the names of the Fraternity should be "Phy Delta Thayta," and that members should be called Phis, pronounced "Phys." The National Convention of 1891 decided that Phis should call members of Phi Delta Theta "brothers" instead of "brethern." The custom of calling pledge men "Phikeias" began in 1906. They are addressed as "Phikeia Smith," etc.

Morton George Williams was the first member, so far as known, to use the phrase "In the Bond" at the end of a letter, which he did in a letter to Robert Morrison, dated March 11, 1850. A letter written to Robert Morrison on July 26, 1850, was signed "Yours ever in the Bond, etc., M. G. Williams." A letter written to Robert Morrison on November 2, 1850, was signed "Yours in the Bond of the Phi Delta Theta (Greek letters), John A. Anderson." Since 1850 "Yours in the Bond" has been the favorite phrase used in ending letters written by one member to another. The attention of Robert Morrison being recalled to the ending of these two letters, he wrote in 1901: "How interesting and curious that the first initiate should be the first to appreciate the Bond. I am satisfied that none other preceded him in that."

The National Convention of 1875 ordered that certificates of membership should be issued to members. Appended to the Code of 1898 was a form for such certificate. The wording of the certificate or shingle was changed in 1900. Certificates were issued from plates engraved in 1878, 1901 and 1905.

The obituary epitaph, adopted in 1890, is *"In Coelo Quies Est,"* which was first used in the memoir of one of the Founders, John McMillan Wilson. The custom of calling deceased brothers members of "the Chapter Grand" also began in 1890. In the *The Scroll* from time to time is published a list of "Initiates of the Chapter Grand," their chapters and classes, and the time and place of death if known, the obituary epitaph and a star following each entry.

A revised Ritual, adopted in 1891, included a funeral service. The Ritual also contains ceremonies for other special events.

Every year the chapter at Westminster College decorates the grave of Father Morrison and holds ritualistic exercises there. This is done on Founders' Day, March 15, the anniversary of the day of his birth.

Some chapters have the custom of holding a summer camp. The first summer camp of any chapter of Phi Delta Theta was, so far as known, that of the Iowa chapter at the Lower Palisades on Cedar River in 1895.

BIBLIOGRAPHY OF PHI DELTA THETA

The first Catalogue of members of Phi Delta Theta was edited by Robert Morrison, Founder of the Fraternity, and published in 1860. Ten editions have been published, in the years 1860, 1870, 1872, 1878, 1883, 1894, 1906, 1918, 1926, and 1936.

Eight editions of the Song Book of the Fraternity have been published, in 1876, 1882, 1886, 1895, 1902, 1916, 1922, and 1932.

"A Manual of Phi Delta Theta" was published in 1886 and 1897. A third edition, also called "The Olympian of Phi Delta Theta," was published in 1912. These are now out of print. A fourth edition called "The Phikeia—His Book" has been published in two editions, the first in 1929, and the second in 1932.

"The History of the Phi Delta Theta Fraternity," a detailed and exhaustive history of the Fraternity, from its foundation in 1848 to 1905, was published in 1906. Editors are now bringing the History down to date.

The Fraternity magazine, *The Scroll of Phi Delta Theta,* was first published in January, 1875, and except for a suspension of two years, 1876-78, has been published continuously ever since. The name was suggested by the first Editor, William Oscar Bates. *The Scroll* is the oldest magazine of any Fraternity except the *Beta Theta Pi,* which has been issued continuously since 1872, except from 1874 to 1876.

A private Fraternity journal, *The Palladium of Phi Delta Theta,* was first published in 1894, and has been published continuously ever since.

Among other publications are instrumental music in sheet form, Victrola records, fraternity year books, chapter papers, alumni club papers, and directories of members in cities.

The present edition of the Catalogue may be obtained from The General Headquarters of Phi Delta Theta; price, $4.00 prepaid.

ALABAMA ALPHA

Installed June 6, 1877

UNIVERSITY OF ALABAMA

Tuscaloosa, Alabama

Alabama Alpha was established through the efforts of Walter B. Palmer. May 24, 1877, he forwarded a copy of the Bond and Constitution to Thomas H. Spencer, a cadet at Alabama, and on May 31 Spencer returned an application for a charter. The chapter held its first meeting June 6. Because of antifraternity rules adopted by the University trustees, the chapter was suspended from the fall of 1877 until 1883. In October 1883, the chapter was reëstablished through the efforts of six Phis from Auburn—B. H. Hardaway, '83, Zell Gaston, '84, J. F. Gray, '84, G. B. Michael, '84, M. M. Smith, '84, and J. R. Barnes, '85—who were registered students at Alabama. The chapter was *sub rosa* until June, 1885.

Berkeley, California

June 13, 1873, L. S. Clark, *Wisconsin* '59, a member of the San Francisco bar, wrote to E. M. Wilson of the Wooster Chapter as follows: "On Saturday, June 7, three young men from the University of California—William H. Chamberlain, A. W. Jackson, and S. B. Christy—met at my office and were duly initiated into the Brotherhood." The Grand Alpha Chapter, Ohio Alpha, on June 16, 1873, granted to these three men a charter for California Alpha. The chapter was dormant, however, from Commencement 1877 to February 6, 1886.

UNIVERSITY OF COLORADO

Boulder, Colorado

Louis G. Keller, *Cincinnati* '05 and John H. Brown, *Westminster* '98, became students at Colorado in the fall of 1901. They met and decided to try to establish Phi Delta Theta at Boulder. They interested S. W. Ryan, '02, law '04, J. G. Houston, '04, E. T. Lannon, '04, W. C. Stickney, law '03, T. C. Davis, '04, J. D. Dunshee, '05, R. W. Ashley, '04, A. L. Richey, '04, and W. D. Vance, '04. A local fraternity, Lambda Gamma was organized and May 7, 1902, a petition was addressed to the General Council. On May 17, H. H. Ward, P.G.C. issued a call to the chapters and officers for a vote. On May 31, the vote was recorded with only one negative ballot from a chapter. The installation was conducted by Frank J. R. Mitchell, S.G.C. in the Unitarian Church in Denver. Dr. David Utter, *Butler* '67 was pastor of the church and offered its use for the ceremony, which took place Saturday afternoon, June 7, 1902. Nine men were initiated and two were affiliated.

ILLINOIS GAMMA

Installed January 12, 1871

MONMOUTH COLLEGE

Monmouth, Illinois

January 12, 1871, the Chicago chapter (then called Illinois Alpha) granted a charter to H. J. Bigger, '72, and A. P. Hutchinson, '72, to establish Illinois Beta at Monmouth College. The chapter name was later changed to Illinois Gamma. The charter was withdrawn by the General Convention of 1884 because of faculty opposition to fraternities.

ILLINOIS ZETA

Installed November 4, 1878

LOMBARD COLLEGE

Galesburg, Illinois

George Banta, *Franklin-Indiana* '76, was directly responsible for the organization of Illinois Zeta. He opened negotiation with the members of the Phi Sigma League at Lombard College and as a result an application was made to Phi Delta Theta for a charter under date of December 15, 1877. No final action was taken, however, until the initiation of Miles C. Summers, '81, on November 4, 1878. This date was adopted as the begining of the chapter. Other charter members were: H. L. Arnold, '78; William McGaan, Jr., '78; S. C. Ramson, '78; F. E. Claycomb, '79; O. H. Swigart, '80; D. P. Gingrich, '82; P. G. Reynolds, '82; G. M. Swart, '82; and J. D. Swart, '82. Alumni of the Phi Sigma League were initiated as they qualified. Because of a depleted treasury, Lombard College closed June 1930 and Knox College took over some of the faculty and arranged to admit the remaining students from Lombard. On the recommendation of the General Council, Illinois Zeta coalesced with Illinois Delta under the title of Illinois Delta-Zeta. The merging of the two chapters took place October 28, 1930. Eleven Phis from Lombard enrolled at Knox.

INDIANA DELTA

Installed April 28, 1860

FRANKLIN COLLEGE

Franklin, Indiana

Through the efforts of D. D. Banta, *Indiana* ’55, a chapter was established in Franklin College. Indiana Alpha, in response to a letter from Banta, granted, on April 28, 1860, a charter to Casabianca Byfield, ’60; G. W. Grubbs, ’61; T. J. Morgan, ’61; W. T. Stott, ’61; all of Franklin College, to establish Indiana Delta. The college was closed by the War but reopened in 1869 and Indiana Delta was re-established at once by D. D. Banta.

INDIANA EPSILON

Installed December 14, 1868

HANOVER COLLEGE

Hanover, Indiana

There is some evidence that a charter was granted to establish Indiana Epsilon in 1861, but apparently no one was initiated. December 14, 1868, however, Indiana Alpha granted a charter to S. S. Bergen, '70; W. T. Evans, '70; and J. L. Fletcher, '72, to establish Indiana Epsilon at Hanover College. Apparently the names of W. F. Yokum, and Thomas J. Cummings were inadvertantly omitted from the charter. Yokum was the first man initiated.

Floyd, '72, of Indiana Asbury University, Greencastle, Indiana, to establish Indiana Eta chapter (now Zeta). The chapter had difficulties and finally became dormant in 1877. On May 10, 1880, Albert Weatherly of Indiana Alpha initiated T. T. Moore, '76; L. T. Rightsell, '80; J. A. Wilson, '80; S. B. Grimes, '81; N. A. Whitaker, '81; J. S. White, '81; A. P. Burnside, '82; J. E. Crews, '82; S. H. Elrod, '82; A. S. Preston, '82; Andrew Stephenson, '82; T. C. Basye, '83; and C. S. Bridges, '83, all of Indiana Asbury, and the General Convention in October changed the chapter name to Zeta.

IOWA BETA

Installed March 27, 1882

STATE UNIVERSITY OF IOWA

Iowa City, Iowa

Gardner Cowles, _Iowa Wesleyan_ '82, was mainly responsible for organizing Iowa Beta. In the fall of 1881, J. L. Kennedy, _Knox_ '83 and H. A. Cole, _Iowa Wesleyan_ '80, entered the law department of the University of Iowa, and Kennedy opened correspondence with Cowles. Cowles and J. D. Murphy, _Iowa Wesleyan_ '82, visited Iowa City and on the afternoon of February 3, 1882, in the parlors of the Palace Hotel, Cowles, Murphy, Kennedy and Cole initiated C. H. Dayton, '82; J. B. French, '82; W. S. Hosford, '83; P. L. Seever, '83; William George, '84; C. L. Gillis '84; and W. L. Park, '85. On March 27, 1882, the General Council granted a charter to Kennedy, Cole, and the new initiates to establish Iowa Beta.

KENTUCKY ALPHA

Installed April 9, 1850

CENTRE COLLEGE

Danville, Kentucky

Kentucky Alpha was established through the efforts of Morton George Williams, the first initiate in Phi Delta Theta. Williams left Miami in the spring of 1849 and entered Centre College. On July 26, 1849, Ohio Alpha gave him power to establish a chapter at Centre. On April 13, 1850, Ohio Alpha sent a charter to Williams, Hugh MacHatton, and William George to establish Kentucky Alpha. Charter was granted to these three by Ohio Alpha, April 9, 1850.

KENTUCKY MILITARY INSTITUTE

Farmdale, Kentucky

John W. Foster, *Indiana* '55 caused the establishment of Kentucky Beta. In 1854 he interested his fellow townsman, C. K. Drew, then a student at K. M. I. in Phi Delta Theta. Drew interested Bernard Timmons, '56, and W. M. Washburn, '56, and the three men applied for a charter. Kentucky Alpha granted them a charter October 17, 1854. Foster initiated Drew at his home in Evansville, Indiana and Drew initiated the other two men at K. M. I. then located at Farmdale, Kentucky, near Frankfort. Charter was withdrawn in 1857. In September 1882 T. C. Hindman, Mississippi Alpha, '83, entered K. M. I. and began initiating men to reëstablish Kentucky Beta. The General Council, and later the Convention of 1884, refused to grant a charter, so after a brief *sub-rosa* existence the chapter became dormant.

UNIVERSITY OF KENTUCKY

Lexington, Kentucky

In the spring of 1899, R. M. Allen and Leonidas Ragan decided to seek a charter from Phi Delta Theta. They took into their confidence T. L. Richmond and L. D. Threlkeld. They adopted the name Phi Tau. At the Louisville Convention, Allen was given the privilege of the floor and presented their petition. The Convention referred the case to the General Council for further investigation and action. During January, 1901, a second body of petitioners, headed by B. R. Campbell was formed to secure a Phi Delta Theta charter. In February R. J. McBryde, President of Beta Province, effected a consolidation of the two bodies of petitioners. On May 20, 1901, a favorable vote by mail was secured from all chapters and the chapter was installed May 25, 1901. Charter members were: R. M. Allen, '00; Leonidas Ragan, '00; T. L. Richmond, '01; W. G. Campbell, '02; G. W. Ewell, '02; L. D. Threlkeld, '02; W. E. Gary, '04; J. C. Shelby, '04; B. R. Campbell, '03; R. W. Ellis, '03; and A. M. Swope, '03.

MICHIGAN STATE COLLEGE

East Lansing, Michigan

In September 1873, C. W. Sheldon, a student at Michigan Agricultural College, Lansing, Michigan, corresponded with a friend in Ohio Wesleyan, who was a Phi. Sheldon then interested some of his friends and they forwarded to Ohio Beta certificates as to their character and ability. Ohio Beta under authority of Ohio Delta (the Grand Chapter) sent these men the Bond, which they signed and returned. November 3, 1873, C. W. Sheldon, '75; T. F. Rogers, '74; F. J. Annis, '75; and G. M. Morse, '76, applied for a charter for Michigan Beta under date of November 8, 1873. MISSISSIPPI ALPHA

Installed June 9, 1877

UNIVERSITY OF MISSISSIPPI

Oxford, Mississippi

Walter B. Palmer was responsible for the establishment of Mississippi Alpha. He first corresponded with E. A. Enochs, ’79. Enochs induced W. J. Smith, ’79, and C. D. Butler, ’82, to join him in applying for a charter from Phi Delta Theta. In the meantime they were pledged by Palmer and signed the Bond, March 17, 1877. The National Grand Chapter granted a charter June 9, 1877. On March 25, they had initiated J. M. Catchings. In 1912, because of adverse action by the State Legislature on the question of fraternities in State institutions, the charter of Mississippi Alpha was placed in escrow by the Chicago Convention and given for safe keeping into the hands of R. N. Somerville, W. F. McKinney, A. D. Somerville, George Lotham Ray, and Monroe McClurg, Jr. The State Legislature of 1925-26 repealed the anti-fraternity statute and on April 24, 1926, Mississippi again began to initiate members.

MISSOURI BETA

Installed October 27, 1880

WESTMINSTER COLLEGE

Fulton, Missouri

Founder Robert Morrison was largely responsible for founding Missouri Beta. He was fiscal agent for Westminster College and it was through his influence that Missouri Alpha Phis investigated Westminster. S. H. Kelley and G. S. Rathbun of Missouri Alpha visited Fulton, Missouri, in April, 1880. They met W. B. C. Brown, *Westminster* ’82, and initiated him April 17. They then gave him a copy of the Bond and commissioned him to initiate five other students. April 24, H. W. Davis, ’82, was initiated; May 1, S. W. Yantis; May 14, J. A. McCoy and S. D. Chaney; and May 21, C. W. Chambers. These men signed an application for a charter which was granted by the National Convention October 27, 1880.

NEBRASKA ALPHA

Installed March 16, 1875

UNIVERSITY OF NEBRASKA

Lincoln, Nebraska

G. M. Lambertson, *Franklin* '72, living in Lincoln, Nebraska, was primarily responsible for establishing Nebraska Alpha. In January, 1875, he wrote the National Grand Chapter urging action. On March 16, 1875, the National Grand Chapter granted a charter to C. W. Rhodes, '76; A. E. Gantt and Willis Sweet, '79. F. M. Lambertson, '77 and J. O. Sturtevant, '79, were initiated before the end of the college year. The chapter was suspended in 1876. The chapter was revived in December, 1883, by A. E. Anderson, *Butler* '82, who had enrolled at Nebraska in September of that year.

NEW YORK ALPHA

Installed April 5, 1872

CORNELL UNIVERSITY

Ithaca, New York

S. W. Carpenter, *Cornell* '75, was pledged to Phi Delta Theta before going to Cornell, by his friend T. C. Potter of the Hanover chapter. Carpenter interested N. W. Cady, '74 and C. E. Washburn, '74. On February 29, 1872, Ohio Alpha granted these three a charter for New York Alpha. On April 5, 1872 the Bond was signed and the chapter constituted. Because of internal trouble the chapter was suspended in 1876. It was reestablished February 6, 1886.

COLUMBIA UNIVERSITY

New York, New York

J. P. Petty, *Mississippi* '81, and Lyman Chalkley, *Richmond* '81, having enrolled in Columbia University in the fall of 1883, began a movement for a charter to establish New York Delta. February 18, 1884, they were visited by C. P. Bassett, P.P. In March Petty forwarded an application for a charter, signed by himself and Chalkley, and by H. L. Hollis, '85; J. D. Berry, '86; W. R. Wharton, '86; and J. B. Kerfoot, '87. April 15, the General Council granted the charter, and on May 12, 1884, Bassett, assisted by several New York Phis, installed the chapter. In the spring of 1890 the chapter suspended activity. January 13, 1893, the chapter was reorganized by sixteen Phis from other chapters, who were enrolled at Columbia in professional or graduate work. On December 1, 1935 the charter was surrendered to the General Council and is now held in escrow by that body.

NORTH CAROLINA ALPHA

DUKE UNIVERSITY
(Formerly TRINITY COLLEGE)
Durham, North Carolina

In the fall of 1877, Walter B. Palmer began correspondence with W. H. Robbins, a student in Trinity College, Durham, North Carolina. Palmer suggested to Robbins that he organize a chapter. About February 1, 1878, Palmer sent him and his associates a copy of the Bond and the Constitution and they signed proper pledges. The National Convention on May 23, 1878, granted a charter for North Carolina Alpha to G. M. Bulla, '79; Philemon Holland, Jr., '81; T. L. White, '82; and W. H. Robbins, '83. The chapter prospered, and in June, 1879, the trustees of Trinity voted to abolish fraternities. Years later this action of the trustees was rescinded, and in 1925 the name of the institution was changed to Duke University in consideration of an endowment bestowed on the University by James Buchanan Duke. On March 15, 1926, the chapters in Beta Province voted in favor of reestablishing the chapter. Immediately a call went out to all chapters and officers for a mail vote. On May 10 the vote was recorded in the affirmative and on May 19, 1926, the chapter was installed.

UNIVERSITY OF NORTH CAROLINA

Chapel Hill, North Carolina

The trustees of the University of North Carolina repealed laws antagonistic to fraternities in February, 1885. Steps were at once taken to establish a chapter of Phi Delta Theta. Philamon Holland, Jr., *Trinity* '81, interested Joel Hines, *Trinity* '83, a law student at North Carolina and an application for a charter was made February 23, 1885. Hines must have been initiated at Trinity, although no record of the date can now be found. On March 29, the General Council granted a charter, but one day earlier, March 28, 1885, Holland and Hines initiated the charter members: R. S. Neal, '85; W. H. Carroll, '86; W. H. McDonald, '87; A. M. Simmons, '87; R. S. White, '87; O. D. Batchelor, '88; W. E. Headen, '88; T. A. Marshall, '88; Graham McKinnon, '88; A. C. Shaw, '88.

Installed March 10, 1860

OHIO WESLEYAN UNIVERSITY

Delaware, Ohio

W. A. Dixon and W. N. Pickerill of Indiana Gamma wrote two of their friends at Ohio Wesleyan University in the fall of 1859 about applying for a charter from Phi Delta Theta. These friends, A. P. Collins, ’60 and David Humphreys, ’60, asked C. H. Gray, ’61 to join them in the application. The application, dated March 5, 1860, showed that these three men had already signed the Bond which had been sent them. The Grand Chapter, under date of March 10, 1860, granted a charter, authorizing them to establish Ohio Delta at Ohio Wesleyan University. The action was taken by the Indiana Alpha Chapter, then the Grand Chapter. Collins, Humphreys and Gray were the charter members. The next year, 1861, the new chapter suspended because of the war. It was revived as Ohio Gamma in 1871, through the help of G. C. Florea, *Butler* ’74, and T. W. Alberry, *Wabash* ’75, who had entered O.W.U. In the fall of 1877, the chapter again suspended, this time because of strong antifraternity sentiment among students and faculty. In the fall of 1879, C. W. Marshall, who had been initiated by Indiana Gamma the previous year, reestablished the chapter. The name was changed to Ohio Beta by the Convention of 1880.

OHIO GAMMA PRIME

Installed May 18, 1852

WITTENBERG UNIVERSITY

Springfield, Ohio

Joseph MacHatton, having been initiated by his brother, Hugh MacHatton, a member of Kentucky Alpha, attended Wittenberg College in 1851-52. Ohio Alpha authorized Joseph MacHatton to initiate such students of Wittenberg as should, in his estimation, meet the requirements of the Bond. He initiated W. H. Wynn, '51 and W. B. Yonce, '52. These three applied for a charter. On May 18, 1852, Ohio Alpha granted them a charter to establish Ohio Gamma in Wittenberg College. Because of antifraternity sentiment in the institution the chapter became dormant in 1854.

UNIVERSITY OF AKRON

Akron, Ohio

January 19, 1875, A. M. Ralston, A. C. White, and W. D. Shipman, students at Buchtel College, Akron, Ohio, visited at Wooster, Ohio, and were elected to membership by Ohio Delta and initiated. They were then authorized to establish a chapter at Buchtel, constituting the Buchtel Chapter as Ohio Eta. On January 30, these three Charter Members initiated McAlpine, Hidy, Bogue, Newberry, Pence, and Prior, and the chapter was organized by the election of officers. In 1896, because of lowered conditions in the College, the chapter voluntarily surrendered its charter until such time as conditions would warrant reestablishment. The charter was restored by the Convention of 1924.

OHIO STATE UNIVERSITY

Columbus, Ohio

In November, 1882, John Edwin Brown of the Ohio Wesleyan Chapter visited Ohio State University at Columbus, Ohio and won the consent of H. A. Kahler and J. C. Munger to apply to Phi Delta Theta for a charter. These two men secured the cooperation of W. F. Daggett, Jr. Ohio Beta initiated Daggett, February 24, 1883, and Munger and Kahler April 27, 1883. An application for a charter was made September 21, 1883, and signed by J. E. Randell, '83; C. P. Bonner, '85; H. A. Kahler, '87; J. C. Munger, '87; C. D. Thomas, '87; and C. A. Winter, '87. On September 22, Thomas was initiated by Ohio Epsilon to become a charter member of Ohio Zeta. October 6, 1883, the General Council granted a charter. Daggett did not return to Ohio State in the fall of 1883, so that he did not become a charter member of Ohio Zeta, but was enrolled as a member of Ohio Beta. The chapter was installed October 6, when E. G. Stone was initiated.

UNIVERSITY OF OREGON

Eugene, Oregon

In the spring of 1910, Fred Tegtmeier, President of Washington Alpha, was asked by the General Council to investigate the University of Oregon. A favorable vote was recorded February 22. The chapter was installed May 30, 1912, under the direction of H. H. Ward, P.P.G.C., and W. S. Ferris, P.P., assisted by alumni and men from Washington Alpha and Idaho Alpha. The charter members were: W. E. Moses, C. W. Walls, L. R. Geisler, W. M. Huntington, W. C. Barbour, H. B. PENNSYLVANIA DELTA

Installed May 30, 1879

ALLEGHENY COLLEGE

Meadville, Pennsylvania

A. T. McGagney, an alumnus of the Wooster chapter, was responsible for founding Pennsylvania Delta. A friend and pastor to E. A. Nelson, a student at Allegheny, he extolled the praises of Phi Delta Theta to such good effect that Nelson and others applied for a charter. Pennsylvania Alpha granted a charter May 8, 1879, to Wellington Bowser, '79; E. A. Nelson, '79; A. D. Collins, '82; C. W. Miner, '81; W. G. Warner, '81; H. C. Hawkins, '82; D. C. O'Conner, '82; E. W. Peck, '82; W. F. Compton, '81; J. W. Kahle, Jr., '83; A. J. Loomis, '83; D. W. Robinson, '83; O. R. Thomas, '84; J. A. Vance, '83; and E. S. Blair, '84 to establish Pennsylvania Delta in Allegheny College. The chapter was installed, May 30, 1879, by J. A. Langfitt of Pennsylvania Gamma.

LEHIGH UNIVERSITY

Bethlehem, Pennsylvania

D. R. Horton of New York Alpha invited H. C. Wilson of Lehigh to visit Cornell and on February 18, 1876, Wilson was initiated by New York Alpha and invited to establish a chapter at Lehigh. On March 1, 1876, Wilson visited Lafayette College and on April 19, 1876, Pennsylvania Alpha granted a charter to H. C. Wilson, ’78; Frank Brunner, ’80, and possibly some others to establish Pennsylvania Delta chapter in Lehigh. In the fall of 1876, N. B. Hoff of Pennsylvania Gamma chapter transferred to Lehigh and was affiliated. The chapter became dormant in 1877 and was revived in 1887 as Pennsylvania Eta.

PENNSYLVANIA STATE COLLEGE

State College, Pennsylvania

On March 5, 1904, the secretary of the General Council called for a mail vote on establishing a chapter at Pennsylvania State College. The vote was favorable and on April 23, 1904 a charter was granted to R. W. Bowers, T. J. Bryson, John Dallas, *Lehigh* ’03, N. G. Miller, P. O. Noble, L. W. Cooper, C. S. Forkum, *W. and J.* ’05, H. R. Geib, R. G. Lose, R. M. Carson, C. E. Culp, W. R. Fleming, G. J. Bailey, J. C. Cosgrove, H. K. Dimelow, W. G. Felmeth, C. R. Garrett, and F. O. Leitzell. The chapter was installed May 10, 1904, by A. M. McCrillis, H.G.C., assisted by alumni. Irving L. Foster, Professor of Romance Languages at Pennsylvania State, and lovingly called “Frenchy,” was largely responsible for establishing this chapter.

McGILL UNIVERSITY

Montreal, Canada

February 7, 1900, an application for a charter from Phi Delta Theta was signed by twelve students of McGill University and sent to the General Council. No action was taken because the application was wholly unexpected and presented a new question of expansion. On March 29, however, the General Council deputized G. L. Ray, President of Eta Province to inspect the situation at McGill. Ray spent eleven days in Montreal and made a favorable report. On February 20, 1902, another application was signed; this time by Charles Rowlands; W. H. Thorpe, B. C. Crowell; A. J. Dickson; J. A. Faulkner; L. C. Lauchland; C. A. Richardson (Maine Alpha '02); and A. C. Sellery. Later the name of E. B. Tilt was added as a charter member. The charter was granted March 29, 1902, and the chapter installed April 5, 1902, under the direction of H. H. Ward, P.G.C.; A. M. McCrflles, P.P., assisted by E. H. Hunter and M. W. Peck of _Dartmouth_ and D. M. Rice of _Vermont_.

November 28, 1878, Walter Palmer wrote T. I. Rogers, then a student at Wofford College, Spartanburg, South Carolina, to see if he might be interested in Phi Delta Theta. Rogers replied on November 30. On January 15, Georgia Alpha chapter sent one of their members, T. C. DuPont, to Spartanburg to investigate. On January 16, 1879, DuPont initiated T. I. Rogers, '80; R. C. Rembert, '83; and W. D. Simpson, Jr., '83. On January 20, these three men signed an application for a charter, which National Grand Chapter granted on January 31, 1879. F. S. Mouzon, '82, was initiated March 1, and F. R. Pegues, March 15. The chapter became dormant October 1, 1885.

VANDERBILT UNIVERSITY

Nashville, Tennessee

In the year 1874-75, W. L. Calhoun, of the Georgia chapter was attending the University of Nashville and there met Lytton Taylor, a resident of Nashville. Taylor was planning to enter Vanderbilt University and agreed to try to establish a chapter of Phi Delta Theta in that institution. In May 1875, he accompanied C. M. Beckwith, *Georgia* ’73, to the National Convention in Danville, Ky., where on May 19, he was initiated by Kentucky Alpha. In the fall, he entered Vanderbilt and with several other students, made application for a charter. On January 20, 1876, the National Grand granted the charter, but the faculty, hearing of his plans, immediately forced him to drop them. In the fall of 1877, J. C. Smith, *Alabama* ’80, and J. B. Reed, *Centre* ’75, entered Vanderbilt Law School and quietly set about reviving the chapter. In this work J. M. Barrs, ’79, proved a tower of strength. The chapter ran *sub rosa,* however, until October 31, 1883, when the Trustees of the University removed all restrictions.

UNIVERSITY OF THE SOUTH

Sewanee, Tennessee

In October, 1882, W. G. Allen who was a student at Sewanee was initiated by Tennessee Alpha. On his return to Sewanee, he pledged the following men in order: J. McH. Robinson, Bridgeford Smith, J. H. P. Hodgson, W. G. A. Aylesworth, J. F. Bailey, and A. L. Hartridge. Tennessee Alpha then sent two active members, S. P. Gilbert and J. M. Brentz, to Sewanee to initiate the applicants, and asked an alumnus, R. F. Jackson to petition the Trustees of Sewanee for formal recognition of Phi Delta Theta. On March 21, 1883, the General Council granted a charter to Aylesworth, Bailey, Hartridge, Hodgson, Robinson, and Smith.

AUSTIN COLLEGE

Huntsville, Texas

A. McK. Rafter was initiated by Ohio Alpha October 4, 1852. The chapter, thereupon, commissioned him to establish a chapter at Austin College, Huntsville, Texas. As a result of his work, H. H. Boone, '55, A. McK. Rafter, '55, W. A. Allen, '55, and A. T. McKinney, '58, petitioned for a charter, under date May 30, 1853. Ohio Alpha granted a charter for Texas Alpha, June 9, 1853. The chapter was suspended in 1854. This was the first trans-Mississippi chapter of any fraternity. Name changed to Texas Alpha Prime in 1880.

TRINITY UNIVERSITY

Tehucana, Texas

Early in 1878, George Banta wrote to W. J. Lackey and S. E. Kennon, students in Trinity University, Tehucana, Texas, about establishing Phi Delta Theta in that institution. Their pledges were received and on May 23, 1878, the National Convention granted a charter for Texas Beta to W. H. Haynie, '78; S. E. Kennon, '79; and W. J. Lackey, '79. The first meeting of the chapter, however, was May 21, 1878. Because of continued faculty opposition, the chapter suspended in 1883. The name of the chapter was changed to Texas Alpha in 1880.

UNIVERSITY OF TEXAS

Austin, Texas

The University of Texas was opened September 15, 1883. Tennessee Alpha had already formed plans for establishing a chapter in the new institution. S. P. Gilbert and W. B. Palmer of the Vanderbilt chapter, had written two of their alumni, Drew Pruit, an attorney of Ft. Worth, and I. H. Bryant, Principal of the Austin High School, to help place the chapter. Pruit and Bryant initiated seven students, October 8, 1883: O. P. Hale, '85; Constance Pessels, '86; Quitman Finley, '87; D. H. Hotchkiss, '87; F. H. Raymond, '90; R. W. Smith, '87; and Hugh Swain, '87. A charter was granted to these seven and J. I. Hedrick, '85, under date of October 15, 1883, to establish Texas Beta of Phi Delta Theta in the University of Texas. This was the first fraternity chapter in the University.

TEXAS GAMMA

Installed April 9, 1886

SOUTHWESTERN UNIVERSITY

Georgetown, Texas

December 14, 1885, Texas Beta initiated W. F. Goodrich, '86; F. H. Hall, '87; C. V. Templeton, '87; H. W. Gilson, '88; C. K. Lee, '88; and H. H. Lennox, '88, former members of the Texas chapter of W. W. W. or Rainbow Fraternity, which chapter had refused to enter the combination with the Delta Tau Delta Fraternity. The Rainbow chapter of Southwestern University, Georgetown Texas, had likewise declined to enter the merger and on December 19, 1885, made application through I. H. Bryant, *Vanderbilt* '80, to Phi Delta Theta. On March 20, 1886, the General Council granted a charter for Texas Gamma to R. A. John, '84; R. L. Penn, '84; W. H. Anderson, '86; S. B. Hawkins, '86; A. J. Perkins, Jr., '86; J. E. Quarles, '86; M. K. Bateman, '87; R. S. Carter, '87; Abdon Holt, '87; J. H. W. Williams, '87; and S. J. Thomas, '88. A delegation from Texas Beta initiated these men April 9, 1886. The chapter was compelled to run *sub rosa* for more than a year, because of faculty opposition to fraternities. All restrictions were removed June, 1887.

Installed May 31, 1869

ROANOKE COLLEGE

Salem, Virginia

D. B. Floyd, *DePauw* ’72, entered Roanoke College, Salem, Virginia, September, 1868, as a freshman. He at once began work to establish a chapter of Phi Delta Theta. Indiana Alpha, through S. E. Mahan, sent Floyd a copy of the Bond, and Constitution. On March 6, 1869, Floyd initiated W. F. Dyer, ’71; O. D. Miller, ’71; and F. H. Terrell, ’71. The charter for Virginia Alpha at Roanoke College was granted by the Grand Alpha chapter at Chicago under date of May 31, 1869 and carried the names of Dyer, Floyd, Miller, and Terrell. The charter was withdrawn August 1, 1896 by the General Council because of lowered conditions in the college.

VIRGINIA GAMMA

Installed February 2, 1874

RANDOLPH-MACON COLLEGE

Ashland, Virginia

On December 13, 1872, Virginia Alpha commissioned W. M. Murrell of that chapter to establish a chapter at Randolph-Macon College, Ashland, Virginia. On December 20, W. M. Murrell, E. H. Whitehurst, and F. M. Shields reached Ashland and that evening initiated J. H. Dalby, '74, and R. P. Hunter, '75. Dalby and Hunter were some time in getting suitable associates to apply for a charter. Not until February 2, 1874, did Virginia grant a charter to J. H. Dalby, R. P. Hunter, B. J. Baldwin, J. L. Kibler, J. B. McCabe, T. P. L. Skinner, and L. A. Hardy to establish Virginia Gamma. The first regular meeting of the chapter was held February 10, 1874.

RICHMOND COLLEGE

Richmond, Virginia

In the fall of 1875, F. M. Shields, *Roanoke* '76, registered in Richmond College and set about establishing a chapter of Phi Delta Theta. On September 28, 1875, an application for a charter was signed by Shields and J. W. Hughes, '76; W. F. Smith, '76; J. T. E. Thornhill, '76; H. C. Smith, '77; and W. F. Harris, '78. Virginia Alpha granted a charter September 30, 1875, to these men for Virginia Delta. Because of lowered conditions in the college, the General Council withdrew the charter November 21, 1895.

VIRGINIA MILITARY INSTITUTE

Lexington, Virginia

Early in 1878, G. W. Cone of Virginia Delta got in touch with T. W. Keitt, '78, of Virginia Military Institute of Lexington, Va., and pledged him to Phi Delta Theta. Keitt then initiated R. F. Haskins, '78, and J. B. Beverly, '79, and the three applied for a charter. On February 9, 1878, the three made application for a charter, which was at once granted by Virginia Alpha. The chapter maintained a precarious existence, principally *sub rosa* until March 10, 1889, when the General Council voted to withdraw the charter.

WASHINGTON ALPHA

Installed February 12, 1901

UNIVERSITY OF WASHINGTON

Seattle, Washington

Arthur R. Priest, *DePauw* '91, joined the faculty at the University of Washington, Seattle, Washington, in August, 1899. He began to investigate the possibility of establishing a chapter of Phi Delta Theta. He first approached D. A. Millett a few days before Thanksgiving vacation. Millett consented to select a group to form a local society, with the final objective of applying for a charter of Phi Delta Theta. On January 12, 1900, the following met at Priest's apartment and formed a local under the name of Delta Phi: D. A. Millett, C. E. Gaches, W. W. Blain, F. J. Ceis, G. A. Minkler, L. E. Thayer, F. E. Brightman, E. F. Earl, Jr., H. A. Hanson, and Walter M. French, *Hillsdale* '96, then a law student at Washington. O. D. Rohlfs and S. M. Treen were added to the roll later and formal application for a charter was filed. On April 9, 1900, the General Council called for a mail vote. The charter was granted by the Louisville Convention, November 29, 1900. The chapter was installed February 12, 1901 under the direction of A. R. Priest, assisted by sixteen alumni residents of Seattle. Charter members were: C. E. Gaches, D. A. Millett, George R. Tennant, W. W. Blain, F. J. Ceis, G. A. Minkler, F. E. Brightman, E. F. Earl, Jr., H. A. Hanson, O. D. Rohlfs, S. M. Treen, Max Hardman, W. W. Phillips, D. E. Twitchell, and J. A. Urquhart.

WISCONSIN ALPHA

Installed June 27, 1857

UNIVERSITY OF WISCONSIN

Madison, Wisconsin

In the fall of 1856, William G. Jenckes of Indiana Alpha entered the senior class at the University of Wisconsin, Madison, Wisconsin. He was urged by the members of Ohio Alpha, Indiana Alpha and Kentucky Alpha to establish Phi Delta Theta in this recently established State University. He received authority to initiate men some time in May, 1857. He gave the ceremony to William F. Vilas, '58, and together they initiated G. S. P. Stillman, '59. The three men applied for a charter, which was issued by Ohio Alpha, June 27, 1857, for Wisconsin Alpha. On July 22, I. W. McKeever, '58, and P. C. Slaughter, '59, were initiated. Because of the War, the chapter was suspended in 1861, to be revived in 1880, under the leadership of W. F. Vilas who initiated D. S. McArthur at his home January 24, 1880. On the same day C. A. Foster took the ceremony, and on January 26, George Keenan. The original charter had been kept safely by W. F. Vilas and the minute book by P. J. Clawson.

WISCONSIN BETA

Installed February 3, 1859

LAWRENCE COLLEGE

Appleton, Wisconsin

At Oak Creek, Wisconsin, August 24, 1858, L. S. Clark of Wisconsin Alpha initiated J. A. Owen, *Lawrence* '60, who returned to Appleton, Wisconsin, and on October 12 initiated Jared Thompson, Jr. In January, 1859, A. R. Dyer, '59; D. J. Jenne, '59; J. P. Maxwell, '59; and Nathan Paine, '60, were initiated. A charter was granted to these six men February 3, 1859, by Wisconsin Alpha to establish Wisconsin Beta in Lawrence College, Appleton, Wisconsin. Norman Buck and Samuel Boyd were added as charter members by action of Wisconsin Alpha on May 10, 1859. The chapter was conducted *sub rosa* for a short time until compelled to suspend because of the war. When George Banta, P.P.G.C., took up his residence at Menasha, Wisconsin, near Appleton, he became greatly interested in reëstablishing the chapter. His best efforts for years seemed of no avail. Finally, however, early in 1934, the Wisconsin active chapter came to his aid and on the tenth of May, George Banta had the supreme pleasure of reading the Bond at the Altar of the reëstablished chapter.
